

Hello Everyone,

On behalf of Weston Soccer Club and Carlos Parra, WFSC Technical Director, would like to extend a personal invitation to your son for the upcoming 2009-10 Academy season. WFSC is very excited to join the US Soccer Federation Academy Program. There will be a player/parent orientation on Monday May 18th 7:30 pm. at Weston Regional Park Soccer Building, located directly behind soccer field #2. This will be a comprehensive explanation of the Weston Academy, including Federation mandates and DVD, fee's, financial aid, and all aspects of the Weston Academy.

Academy Staff Coaches:

Carlos Parra holds both the USSF "A" License and National Youth License and the NSCAA Director of Coaching Diploma. Carlos is also an ID2 US Club Soccer Staff Coach, and Super Y ODP Coach. Parra has extensive playing experiences that will benefit our players. Carlos was the first Project 40 player to be signed by Major League Soccer where he played for the New York MetroStars, Miami Fusion and New England Revolution. He trained in Italy with AC Milan in Italy, in England with Sunderland F.C. and was a member of the US Youth National team that went to the World Championships held in Malasia, in 1997. Carlos can be reached at parrasoccer@yahoo.com or at parrasoccer@gmail.com.

Marcello Neveleff, currently working with US Academy Adromeda Club out of Texas. Marcelo holds the USSF National "A" and Youth Licenses. He is part of the National Federation's instructional staff for the National Coaching School's program, a talent scout for the U14 National Program in Region III and has been an integral part of ODP for more than 10 years at both the state and region level. Marcelo brings a wealth of experience to the Fury. He has coached at the professional level with the A League, has instructed numerous State and National level licences, holds a degree in Physical Education and is bilingual in Spanish and English. Marcello can be reached at gneveleff@aol.com.

Alvin James has been with the Fury for 11 seasons, having been the only WFSC coach to win a National Title, U14 Boys 2007 Super Y National Championship. Alvin currently holds his USSF National B License; he is a former Ft Lauderdale Striker (NASL) and Jamaican National team player. He has been instrumental in the success of the Fury 86/87 Premier Boys team who are ranked as one of the top teams in the country and narrowly missed on out on the US Soccer National Championship in 2004 finishing runners up. Several player under James have gone onto play professionally and NCAA Div 1. Alvin can be reached at alfa_romeo55@hotmail.com

In the mean time, all players are invited to participate in Weston's summer program, held in June and July. This program is geared for our best players ages, U-14 through U-17. Each player will be placed on a US Club Soccer team, they will train and play at least two "Showcase" tournaments. The schedule will be announced once State Cup is over, in the mean time, your son is welcome to train with our team, providing he is NOT FYSA registered.
