Repeated violations may result in the suspension of the team from the Tournament as decided by the Tournament Director.

B. A player, coach, or team official ejected from a game shall receive an automatic minimum one (1) game suspension regardless of the cause of the ejection. The Discipline Committee shall determine the appropriate sanction for the action resulting in the ejection, which sanction must be determined and communicated to the affected parties no later than prior to the next scheduled game in which the offending party would otherwise participate.

10. DETERMINATION OF PLAYOFF FINALISTS

Finalists will be determined through a seeding format or by a division winner's format. The Tournament Committee will decide which format each age group and bracket will follow. This will be announced prior to the commencement of competition. The rules to determine tie breakers will be the same for either format.

Each team will be awarded three (3) points for a win, one (1) point for a tie and zero (0) points for a loss.

At the end of the preliminary rounds, if the finalists for a particular age group and bracket are determined by the division winner, the division winner will be the team with the most points in their division. In the event of a tie within a division, the following criteria will be used to determine who moves forward:

1. Head to head competition (this criterion will not be considered in the case of a tie among more than two (2) teams.) ****

2. Goal differential to a maximum of four (4) per game.

(Thus a team winning a game 4-0 or 6-1 would receive a maximum of four for goal differential.)

3. Most goals scored to a maximum of four (4) per game.

4. Least goals allowed to a maximum of four (4) per game.

5. FIFA penalty kicks.

**** In the event of a tie among more than two teams, once a tie is broken by the above system, and if ties among remaining teams still must be decided, those ties would be broken by starting again from the top of the tie breaking procedure.

In the event that a wild card team must be selected for the play-off rounds, the above procedure will be used across the entire age group and bracket involved.

If a division winner does not show up for play, the division team with the next best record shall be named the division winner.

In the event the finalists for a particular age group and bracket are determined by seeding, the finalists (or semi-finalists if applicable) shall be determined based upon the two teams (or more if semi-finals are applicable) with the most points in the overall age group and bracket involved. In the event of a tie, the same criteria as utilized for division winners shall be used to determine the tiebreaker.

In the event there is an age group(s) and bracket in which semi-finals are held, to be determined in the discretion of the Tournament Committee, the foregoing rules shall be applied to determine the teams that shall qualify for the semi-finals.

11. PLAYOFFS

A. Winners or top seeds of each division/age group-bracket shall advance into the playoff rounds.

B. If a wild card team must be selected for the playoff rounds, that team will not be assigned to play the winner of its own division in the first playoff round.

C. In the case of a draw at the end of regulation time in the playoff rounds, the winner will be determined as follows:

The best of five penalty kicks taken alternately by each team will determine the winner. Only those players on the field at the end of regulation time of the playoff game may compete. If the penalty kick score is tied at the end of the five kicks, the teams will continue to take penalty kicks alternately until there is a winner. All players on the field must kick before any player may kick a second time.
