This will be announced prior to the commencement of competition. The rules to determine tie breakers will be the same for either format. Each team will be awarded three (3) points for a win, one (1) point for a tie and zero (0) points for a loss. At the end of the preliminary rounds, if the finalists for a particular age group and bracket are determined by the division winner, the division winner will be the team with the most points in their division. In the event of a tie within a division, the following criteria will be used to determine who moves forward:

1. Head to head competition (this criterion will not be considered in the case of a tie among more than two (2) teams.) ****
2. Goal differential to a maximum of four (4) per game.
3. Most goals scored to a maximum of four (4) per game.
4. Least goals allowed to a maximum of four (4) per game.
5. FIFA penalty kicks.

**** In the event of a tie among more than two teams, once a tie is broken by the above system, and if ties among remaining teams still must be decided, those ties would be broken by starting again from the top of the tie breaking procedure.

In the event that a wild card team must be selected for the playoff rounds, the above procedure will be used across the entire age group and bracket involved.

If a division winner does not show up for play, the division team with the next best record shall be named the division winner.

In the event the finalists for a particular age group and bracket are determined by seeding, the finalists (or semi-finalists if applicable) shall be determined based upon the two teams (or more if semi-finals are applicable) with the most points in the overall age group and bracket involved. In the event of a tie, the same criteria as utilized for division winners shall be used to determine the finalists.

In the event that there is an age group(s) and bracket in which semi- finals are held, to be determined in the discretion of the Tournament Committee, the foregoing rules shall be applied to determine the teams that shall qualify for the semi-finals.

12. PLAYOFFS

- A. Depending on the number of teams in the division/ age group bracket, there may be a playoff.
- B. If there are playoffs and a wild card team must be selected for the playoff rounds, that team will not be assigned to play the winner of its own division in the first playoff round.
- C. In the case of a draw at the end of regulation time in the playoff rounds, the winner will be determined as follows:
