

## FOOD FOR THE POOR

Hello, we are Samantha, Oriana, Sammy, and Daya and we play for Weston FC U11 girls teams and are members of the Girl Scouts. As you know our neighbors in Haiti have experienced a tragedy because of the earthquake. When this happened we wanted to do something to help them through soccer. Almost all of the girls in our troop play soccer.

We decided to join together to collect food for FOOD FOR THE POOR, a foundation based in Ft. Lauderdale that serves the people in Haiti. We are asking that each team member, if possible, please bring canned foods, powdered milk or bottled beverages (mostly water) to the Weston Cup.

We will be collecting items at check-in and during the tournament at all fields. This is a great opportunity for our soccer community to help people in need. Please join us in helping the people of Haiti.

Thank you for participating in the Weston Cup and good luck! 😊
